Oral Presentation

Students will be asked to prepare and present various types of graded oral presentations, such as skits, dialogues, and formal presentations. The instructor will provide the students will clear guidelines and expectations for these oral presentations so that the students can prepare accordingly. Students may prepare scripts or outlines for these presentations but they should be prepared to deliver the presentations without reading from them verbatim.

Short Quizzes

There will be a number of minor quizzes throughout the semester to check that students have adequately prepared for class by learning new vocabulary or grammar lessons.

Final Exam

The final exam is comprehensive, testing student’s mastery of all vocabulary and grammar covered in the course. While the exam requires students to respond to written questions, emphasis will be on listening comprehension and oral production.
Class Participation

In order to get the most out of each class, it is very important that you are prepared, alert, and engaged during class activities. In-class activities are designed with the assumption that you already studied the vocabulary and grammar explanations at home and are prepared to activate that knowledge in class.

Attendance

It is essential that you attend every class in order to not fall behind. Within three days of your absence you need to submit an Absence Notification Form to the CIEE Resident Staff. If your absence is excused they will give you an Excused Absence Confirmation that you should show to your instructors. At the end of the semester, one unexcused absence will be dropped for each student. If you come to class late it will reduce your participation grade. If you are more than 20 minutes late for class it will be considered an absence.
