Course Requirements

Homework

You are expected to turn your homework in on-time on the day that it is due. If you do not, the instructor can refuse to accept your work or reduce your grade on the assignment.

Oral Presentation

Students will be asked to prepare and present various types of graded oral presentations, such as skits, dialogues, and formal presentations. The instructor will provide the students will clear guidelines and expectations for these oral presentations so that the students can prepare accordingly. Students may prepare scripts or outlines for these presentations, but they should be prepared to deliver the presentations without reading from them verbatim.
Chapter Quizzes

There will be a test after every unit to test student’s knowledge of vocabulary and grammar from that particular unit. While unit tests focus on particular units, they will build upon previous material covered in the course.

Mid-term

The midterm exam will test the student language skills that were covered in the class.

Final Exam

The final exam is comprehensive, testing student’s mastery of all vocabulary and grammar covered in the course. It also includes sections that test all language skills: writing, reading comprehension, listening comprehension, and oral production.

Class Participation

In order to get the most out of each class, it is very important that you are prepared, alert, and engaged during class activities. In-class activities are designed with the assumption that you already studied the vocabulary and grammar explanations at home and are prepared to activate that knowledge in class.

Attendance

It is essential that you attend every class in order to not fall behind. Within three days of your absence you need to submit an Absence Notification Form to the CIEE Resident Staff. If your absence is excused, they will give you an Excused Absence Confirmation that you should show to your instructors. At the end of the semester, one unexcused absence will be dropped for each student. If you come to class late it will reduce your participation grade. If you are more than 20 minutes late for class, it will be considered an absence.

N.B. Course schedule is subject to change due to study tours, excursions, or local holidays. Final schedules will be included in the final syllabus provided to students on site.
