Students are strongly encouraged to use class time to practice the language therefore please try to avoid using English in class. If you do have any questions you can meet me after class or email me to make an appointment.

**Attendance**

Attendance is crucial for successful completion of the class. Students are allowed to have two unexcused absences for each course for the whole semester program. These allowed unexcused absences should be used for situations such as minor illnesses without a doctor's note or personal situations that prevent the student from attending the class. Allowed unexcused absences should not be used in a planned way for travel or other activities. Unexcused absences beyond the limit of two will lower a student’s grade by 2 points on the 100-point scale each. For example, if your overall score in the class is 90 (an equivalent of A) and you have had three unexcused absences, your final score will be 88 (B+).
