Written Exercises
After each class, homework is given and it will be corrected in class. It can be an interview, written and oral exercises, presentation or to learn a specific vocabulary relevant to the lesson, etc.

Oral Exercises
15 minutes Oral Quizzes
As a review of what we did in class the day before, each student will be given 15 minutes to practice and review the past lesson. In so doing pronunciation and mistakes could be corrected and questions about the course or Senegalese culture are answered as well. In this part, students who are doing independent researches can share information with their classmates.

Depending on the lesson, students can be asked to do a role play, make a paragraph, etc.

**Presentation**

**Final Exam (Written Production)**

Questions dealing with the whole program will be given.

**Final Exam (Proficiency Interviews)**

The LPI (Language Proficiency Interview) is an oral interview between the teacher and the student. Students should respond appropriately and in detail to the teacher's questions. This will allow the tester (teacher) to assess the quality and quantity of the student's production/transcript (use of correct grammatical structures, appropriate vocabulary, flow, spontaneity etc).

**Class Participation**

It's the student's responsibility to be involved in the program. They are expected to attend classes, be on time, do their homework and participate in discussions. In failing to these points they might lose the participation grade and the bonus.

**Attendance**

**Class attendance standards at CIEE Dakar are as outlined below.**

- Regular class attendance is required throughout the program.
- Excessively tardy (over 15 minutes late) students will be marked absent, and the student will be reminded of the policy at the time of the infraction.
- Students must notify their instructor beforehand, if they will miss class for any reason. Notification must be made via Canvas, and an email copy should be sent to the Center Director and the Program Assistant for Academic Affairs.
- Attendance policies also apply to any required co-curricular class excursion or event, as well as to Internship. Students who miss class for personal travel will be marked as absent and unexcused. No make-up or re-sit opportunity will be provided.
- Students are responsible for any materials covered in class in their absence. Students who miss class for medical reasons must inform the instructor and provide appropriate documentation to the Center Director and the Program Assistant for Academic Affairs. Make-up opportunity will be provided to the extent this is feasible.
- Students are not permitted to travel away from the program site while classes are in session, unless part of a CIEE-organized excursion.
- Personal travel and/or travel delays are not considered justifiable reasons for missing class.
- Excused absences will not result in a grade reduction (up to the 20% absentee point), and the expectation is that, when possible, the missed classwork will be made up either by an alternative or additional means of assessment appropriate to the missed material.
- Excused absences will continue to count toward total percentage accumulation of missed classes, and more than 20% total class time missed may still result in removal from the course or program (reviewed on a case-by-case basis with the CIEE Regional Director of Operations and Academic Affairs in consultation with the Center Director).

**An absence in a CIEE course will only be considered excused if:**

- a doctor's note from a local medical professional is provided;
- a CIEE staff member verifies that the student was too ill to attend class;
- evidence is provided of a family emergency;
- the CIEE Center Director approves an absence related to an observance of a religious holiday.
