Final papers will be between 15 and 20 pages (double spaced, Times New Roman, 12 font, Chicago style citation)

**On-the-job Performance**

The instructor will be in constant contact with students’ company supervisors to assess participation, adaptation and improvement to determine internship performance grade and evaluation.

**Class Participation**

Students are expected to participate actively in this class by referring to their internship experience to feed in class discussion on main work concepts and values.

**Attendance**

To encourage engaged learning, regular class attendance is required throughout the program. This includes any required co-curricular class excursion or event, as well as internship, service-learning, or other required field placement.

An excused absence in a CIEE course will only be considered if approved by a CIEE Center Director/Academic Director (not the Instructor), and:

- it is a self-certified absence for illness (only once per course, requires formal request before or within 24 hours, cannot miss assessment worth more than 5% of final course grade)
- a doctor’s note from a local medical professional is provided
- evidence of a family emergency is provided
- it is a pre-approved observance of religious holiday

Unexcused absences include personal travel and/or travel delays, as well as missing more than 25% of a single class period (including tardiness and early departure). Assessments missed due to unexcused absences will be marked as zero. Students with over 10% unexcused absences will be contacted by CIEE staff. Students with over 20% unexcused absences will be contacted by CIEE staff, receive a formal warning letter (shared with their home institution) and lose 10% of the final course point total (e.g., a final A grade of 93% will be lowered to a B grade of 83%).

For more detail, please consult your CIEE Academic Manual.

**Academic Integrity**

Academic integrity is essential to a positive and inclusive teaching and learning environment. All students are expected to complete coursework responsibilities with fairness, respect, and honesty. Failure to do so by seeking unfair advantage over others or misrepresenting someone else’s work as your own can result in grade penalties or disciplinary action. See the CIEE Student Academic Manual for further information on academic integrity.
